

INTERNATIONAL ADMISSION

All prospective undergraduate students planning to study on a visa, asylum, or refugee status are considered international applicants. Students are encouraged to complete the application process prior to submission deadlines; applications are evaluated after all required documentation has been received.

Applications from international students should be received by Benedictine University no later than June 1 for the fall term or by October 1 for the spring term of the year in which the student plans to enroll. Students are encouraged to complete the application process prior to submission deadlines; applications are evaluated only after all required documentation has been received.

Recognizing the academic and cultural benefits of having international students in classes and on campus, Benedictine University is pleased to accept applications from this student group. International student applications are evaluated by the same admissions standards as those established for American students. Requests for admission are considered without regard to the applicant's race, religion, gender, age, national origin or disability.

Documents required to be official should be mailed directly to Benedictine University from the applicable institution, evaluation company, testing service, or financial agency. Documents not mailed directly to Benedictine University should be in their original, unopened envelopes. Benedictine University understands that students who attended academic institutions in countries experiencing or recovering from conflict may have difficulty obtaining official documents as defined above. Additionally, some institutions may require students or their families to request documents in person. Under these and other extenuating circumstances, students may work with the Office of Admissions to request a waiver of required documents.

International Admissions Procedures

Once all requirements are met and the applicant's file is complete, the file will be reviewed for admission. The applicant will be informed of the admissions decision in writing. If admitted, International Programs and Services will issue visa paperwork to allow the applicant to apply for a visa. International Programs and Services will contact the student regarding the next steps in the process.

All F-1 students are required by law to be enrolled in a full-time course load. It is the international student's responsibility to maintain the validity of the I-20, passport, visa, and I-94. It is the international student's responsibility to be aware of all expiration dates and allow ample time for renewal/extensions. International students are responsible for understanding the consequences of not abiding by their student visa regulations.

English Proficiency Policy:

All international students must demonstrate that they have met the English proficiency requirements for the Lisle or Mesa campus degree program to which they are applying. Students applying to the Lisle or Mesa campus as first-year or transfer students must meet the following English proficiency requirements. Only one score is required.

- TOEFL Internet-Based Test: 79
- IELTS Exam: 6.5
- PTE Academic: 52
- Duolingo: 105
- GTEC: 1200
- ELS Level: 112

Test scores must be no more than two years old at the time of application. IELTS scores can be submitted by email. TOEFL scores must be submitted directly from the student's ETS account. ELS 112 Certificates must be emailed from the student's ELS Center.

Under certain circumstances, the English proficiency requirement may be met without submitting English proficiency test scores. These circumstances may include:

- Studying at an accredited institution where the official language of instruction is English, with consideration given for length of program, cumulative GPA and overall academic performance.
- Completing one year or more of academic coursework at a U.S. institution, pending review of transcripts.
- Submitting an ACT or SAT score demonstrating proficiency upon review.

An English proficiency test waiver will not be considered until all other documents required for admission have been received. Once all required documents have been received, the English proficiency test requirement may be waived if it is determined that English proficiency has been met.

Benedictine University reserves the right to test the English writing and speaking skills of all incoming undergraduate and graduate students if circumstances warrant it. Students may be placed in courses that will help them improve their academic English proficiency. Such courses below the 1000 level will not count as credit toward degree minimums.

Please note, students enrolled in a short-term or exchange program and not earning a degree from Benedictine University may have different requirements.

I-20 Transfer Policy

International students already in the United States may plan to transfer their I-20 to Benedictine University after they are accepted. It is the international student's responsibility to be aware of their current institution's grace period, transfer and enrollment deadlines, and policies regarding I-20 transfer. Benedictine University will provide students an official acceptance letter in order to transfer their I-20, and will require students to work with their current institution to complete the I-20 Transfer Form. International students transferring in their I-20 must attend class full time during the term for which they have been accepted and the required subsequent terms.

Short-Term Study and Exchange Program

Benedictine University has several agreements with institutions around the globe. Students interested in studying under terms stated in a formal agreement between Benedictine University and their home institution should work with International Programs and Services to determine the application requirements per the formal agreement. Students studying as short-term students are those students who are not intending to get a degree from Benedictine but would like to study for a short period of time. It is the responsibility of the student to work with their home institution to confirm their financial obligations to both their home institution and Benedictine University.
